PLAYBOY PRESS

When Sarah Ferguson married into the British royal family and became known as Fergie to a world full of well-wishers, we half-expected red to become the predominant hair color for women of all ages, so popular was the new duchess. Fortunately, blonde and brunette still are going strong. What man in his wildest dreams would wish for a life without the dazzling diversity of color, the variety that adds a dash of spice? We've searched our files and found outstanding examples of ash, gold, strawberry blondes; raven, dusky, tawny brunettes; fiery, auburn, carrot-topped redheads. Whatever your preference, you'll find it in this collection of photos of beautiful women. It's a heady experience, so let your own hair down and enjoy *Playboy's Blondes, Brunettes, Redheads*.

**BLONDES
BLONDES**

That hair! Those eyes! Those lips! Engaging in dutiful attention to and appreciation of Sándra Wild's myriad attributes (here and on previous spread), something keeps bringing us back to our cover girl's incredible hair. Sándra is a very busy California model who makes regular appearances in Playboy's Newsstand Specials.

All sugar and satin, pale-hued Michelle Sacks (above and below) loves to curl up in something comfortable. Honey-blond April 1988 Playmate Eloise Broady (right) has been a pinup girl in scads of posters and calendars. She acts, too. She was particularly unforgettable as a bikinied beach bunny in the movie *Weekend at Bernie's*.

Short, spiked hair is really sharp. European beauty Andrea Dworak, who made her mark in Playboy's German edition, goes international with a classy coif.

Stretches on the seashore keep March 1984 Playmate Dona Speir (above) limber and in shape for her many roles. She has appeared in numerous movies and television shows. Dona also has an audience in Argentina, where she graced the centerfold of that country's premiere *Playboy* edition. You might say Playmate Christine Richters (right) is a woman on the growl. She has always wanted to adopt a baby tiger. Long locks shimmering, Susie Scott (far right), Miss May 1983, seems content to pose prettily on a sun-drenched patio.

All flash and lots of beautiful blonde substance, Katharine Gorzel (left) stepped into our lives and hearts during *Playboy's* 35th Anniversary Playmate Hunt. Television's beloved letter-turner Vanna White (above), properly glamorous on the job, here looks ultrasultry. Vanna's cool blonde beauty, unassuming personality and enchanting smile contribute greatly to *Wheel of Fortune's* popularity.

Kelli Slattery (above left) was a candidate for *Playboy's* 35th Anniversary Playmate. Beverly Cleveland (above right) aired her architecture in *Radio Visions* (March 1986). At the time, she was serving up sounds as a deejay at a top country station in Texas. Neon-bright colors bring out the golden-tressed best in Angela Brooks (right).

Every inch reflecting her Norwegian birthplace, Playmate of the Year 1976 Lillian Müller (also known as actress Yuliis Ruvál) interpreted works by erotic artist Olivia De Berardinis in *Reincarnation* (August 1986).

University of Texas coed Terri Higgins (above) appeared in *Playboy's Girls of the Southwest Conference* (September 1989). Playmate Kim Evenson (below) saw her dreams of becoming an actress come true when she got a part in *Porky's Revenge* and starred in *Kandyland*. Susie Owens (right) displayed hip-length tresses as Miss March 1988.

Sun-streaked Floridian Pamela Stein (above) was Miss November 1987. Leslie Sferrazza (right) gained notoriety when she divorced Reno's mayor a second time.

Suzanne Mizzi (left) was one of *Those Brash and British Page 3 Girls* (February 1988), based on British tabloid photofeatures. Stepping lively is actress Janet Jones (above), who debuted in *The Flamingo Kid*. Her ex-tomboy skills came in handy in her gymnast role in *American Anthem*.

Lynne Austin (left) was among fourteen world-class beauties who competed in the first Miss Playboy International pageant. Peripatetic Kathy Shower (above left), whose movie career keeps her circling the globe, and lithesome Marianne Gravatte (above right) were both named Playmate of the Year—in 1986 and 1983, respectively.

KC Winkler (left) helped give shape to the *Body by Jake* TV series. Just looking at Playmate Gwendolyn Hajek (above) and Page 3 Girl Karen Kelly (overleaf) is fun.

With her dark eyes and masses of pale hair, Playmate Cathy St. George (left) takes a front-row seat wherever she goes, no doubt attracting an enthusiastic audience. Sasha Simons (above) also invites applause. When she's in the mood, Sasha does a great Marilyn Monroe imitation.

The very embodiment of sunshine, fair-skinned and flaxen-haired Stephanie Fisher (above) is a bright spot on any horizon. Southern belle Kelly Gilstrap (below and right) dazzled in *Playboy's Girls of the Southeastern Conference* pictorial (October 1989). Both ladies make regular appearances in Playboy's Newsstand Specials.

Shannon DeShay (left) was discovered in the search for a 35th Anniversary Playmate and has since found a perfect fit as a cover girl and model for Playboy's Newsstand Specials. Ever-dramatic and always gorgeous, Shannon Tweed (above left), Playmate of the Year 1982, keeps a busy schedule as a film and television star. In a state world-famous for blonde inhabitants, Californian Nikki Anderson (above right) is a standout.

Engineers spent years perfecting this sleek design—the Porsche's, that is. Well-built Anna MacDowell is a one-of-a-kind model, the product of a superior gene pool.

They're bold. They're brazen. They're bimbos and proud of it. Linnea Quigley (above left) and Becky LeBeau (above right) have made a darned respectable career of starring in B movies. Quigley's credits include *Hollywood Chainsaw Hookers*, *Creepozoids* and a part as a gorgeous graveyard ghoul in the hilarious horror *The Return of the Living Dead*. LeBeau appeared in *Rock-a-die Baby*. Both women were featured in *The Girls of Rock 'n' Roll* (January 1985) and *B-Movie Bimbos* (July 1989). LeBeau has launched a video series of "naturally voluptuous women," beginning, of course, with herself. Well-soaped Sheree Smith (right) obviously fits that description as well.

There's long hair and then there's luminous, luxurious, Debra Jo Fondren hair. Playmate of the Year 1978, Debra Jo (left) still holds *Playboy's* all-time record for lengthy locks. Gilda Germano (above) was included in *Playboy's* documentation of the TV miniseries *Casanova* (April 1987).

When *Playboy* embarked upon a search for the smart and sexy *Women of Wall Street* (August 1989), Kimberly Ann Clark (above left) made it her business to show us her portfolio. A sales assistant at a brokerage firm, Kimberly's outstanding assets are listed as 36-22-34. Ample dividends also accrue in taking stock of Miss March 1981, Kym Herrin (above right), and co-star of the television sitcom *Diff'rent Strokes*, Dana Plato (right).

**BRUNETTES
BRUNETTES**

The part calls for a devastating brunette? Call our cover girl Brandi Brandt (here and previous spread), *Playboy's* Miss October 1987. Her showbiz career runs the gamut from TV appearances to the Beach Boys' *Kokomo* video and a part in the movie *Wedding Band*, with Jim Belushi.

They're talented and then some. Among other credits, Playmate Teri Weigel (above left) sang for two years with the Playboy's Girls of Rock & Roll review, made a video centerfold that went platinum, worked with Chaka Khan in an MTV music video and starred in the film *Return of the Killer Tomatoes*. Natural brunette Cher Butler (above right), posing as a blonde when she appeared as Miss August 1985, does "urban art" collages and assemblages. Dusky Playmate Ava Fabian (right) has appeared in many music videos and several films, including the delicious B movie *Lobster Man from Mars* and *Limit Up*, in which she plays Dean Stockwell's bitchy girlfriend. Ava is in such demand as a representative of Playboy for various promotions, we wonder that she has time for anything else.

After cutting loose from her famous family, outrageous La Toya Jackson has created her own space in the limelight. Her March 1989 *Playboy* pictorial caused a sensation, and the 1990 *La Toya* calendar is a best seller.

Lucky Londoners might catch a glimpse of delightful Page 3 Girl Maria Whittaker (left) and actress Gloria Jones (above), both of whom reside in Great Britain.

An active, on-the-go lifestyle keeps Evelyn Escalante (left) warm while modeling lingerie for our Newsstand Specials. Brunette bombshell Luma de Oliveira, a Brazilian edition centerfold, walked off with the crown in the Miss Playboy International pageant, held in Hong Kong late in 1987.

Desery Martin (above) catches a few rays beside a pool in her native Sunshine State. Midwesterner Dawn Stern (below) prefers lounging in the bubbly. Ravishing Miss June 1985, Devin DeVasquez (right), has a busy acting career. Right-wing protesters had a fit when she removed her bra on the TV show *Married...with Children*.

Christina Herbert keeps her crowning glory glistening. Raven-haired Playmate Kata Kärkkäinen (overleaf), has experimented with both blonde and red shades.

Brinke Stevens (above) plays a mean bass. She performed with Linnea Quigley in a group called Linnea and the Skirts. As an actress, she appeared in Rob Reiner's comedy film *Spinal Tap* and in *Private School*. Vanity (right) was a teenager when she led the raucous Vanity 6 trio. She has made her mark as a solo artist and strutted her stuff in movies, including Berry Gordy's martial-arts comedy *The Last Dragon* and a starring role as a singer in *Action Jackson*.

British beauty Marina Baker (left) unfurled her dark curls as Miss March 1987, then romped with Richard Chamberlain in ABC-TV's rowdy miniseries *Casanova*. She has formed her own theater group back home. Danielle Daine (above left) was a student at the University of Kentucky when *Playboy* featured her in its *Girls of the Southeastern Conference* pictorial. Stunning brunette Carole Anne (above right) is another Page 3 Girl.

Diana Heitzman (above) looks sweet in an upswept hairdo. Jessica Hahn (right) was so pleased with her makeover, she posed for an encore *Playboy* pictorial.

If Toni Shilleto (left) resembles a Sixties' chorus girl, it's because the sexy model plays one in *Scandal*, a film about England's Profumo affair. Beautiful and brainy Céline La Frenière (above) earned her way into *Playboy* as screenwriter of the romantic comedy *Foreign Body*.

Playmate Diana Lee (above left) drew on her Asian ancestry and background as a professional dancer to play a Ninja assassin in the James Bond film *Licence to Kill*. Monica Unsworth (above right) poses against a Texas sky. Her deep brown eyes and flowing hair make Cynthia Kaye (right) one of our favorite models.

Jackie St. Clair made her debut in 1984 as a Page 3 Girl in London's tabloid *The Star*, which led to a starring role in *Playboy's* feature about women who get British newspaper readers' days off to a good start.

Lonny Chin (left), of Chinese, Jamaican, Welsh and Swedish extraction, went gold with Playboy's first Playmate video. Lovely Lynn Marie (above) makes frequent appearances in Playboy's Newsstand Specials. Playmate Anne-Marie Fox (below) has enjoyed a career that allowed her to model in the fashion centers of the world.

Sassy Playmate Rebecca Ferratti tangles with tough guys in movies such as *Gor* and its sequel. Look for her on the TV show *American Gladiators* and in music videos.

Something about dark-eyed brunettes such as Dana Beveridge (left) and Alicia Sanchez (above) suggests far-off places—warm, steamy climes where palm trees punctuate cloudless skylines. The imagery comes easily to mind because both women live in areas where it's always warm and often steamy: Dana in the Southwest and Alicia in the Southeast. And Alicia reminds us that there are at least two sides to every beautiful woman.

There's nowhere to run when Playmate Alana Soares (above) looks at you with those extraordinary eyes. Sherry Arnett (below) was the first Playmate to appear sans staple in her centerfold when *Playboy* switched to perfect binding in October 1985. Speaking of perfect binding, Playmate of the Year 1988 India Allen (right) has it.

**REDHEADS
REDHEADS**

Cover girl Debi Nicolle Johnson (here and previous spread) has employed the woman's prerogative of changing her hair color just a bit. Debi was a brunette Miss October 1984. She also has changed her address, moving from the bright lights of New York to the hills of Hollywood.

Auburn-tressed Jennifer Jackson (left) rests after a night of cramming while majoring in finance and business management at college. Spotted by *Playboy* scouts during the 35th Anniversary Playmate Hunt, she became our April 1989 centerfold. Irish eyes smiling, Josi O'Donoghue (above) makes a winsome picture.

Fun-loving Pamela Des Barres (above) told all in her book, *I'm with the Band*, a memoir describing her years as friend and companion to rock-and-roll superstars. To introduce Carolyn Jones (right), we'll paraphrase an old maritime observation: Red hair at night, sailor's delight.

Knock-'em-dead redheads Mallesia Renée (right and overleaf) and Susan Silaeh (above) make spell-binding rituals of donning and removing slinky, silken undergarments.

Streaming sunlight brings out Whitney Newman's more colorful highlights (left). Journalism student Michelle Ashley (above left) hit the printed page as another one of *Playboy's Girls of the Southeastern Conference*. Colleen Donovan's bright locks (above right) brightened the *Farmers' Daughters* pictorial (September 1986).

Ann Wagner is a graduate student with a bachelor's degree in geology. She concentrated on oceanography because that allowed her to study *and* enjoy the beach.

Playmate Cynthia Brimhall (left) has a lot to be happy about—fiery red hair, exceptional beauty, a busy modeling career, and she performs with Playboy's Girls of Rock & Roll. Playmate Lee Ann Michelle (above) could cause fire alarms to go off just by walking past them.

Shannon McLaren's tendrils (left and above) come straight from the genre of *Gone with the Wind*. Former blonde Kymberly Paige (below), *Playboy's* Miss May 1987, is resplendent as a redhead. Kym has designs on a career in clothes. Her studies included fashion sketching and patternmaking prior to launching her own clothing line.

Barbara Ann Holleran (above left) is an entrepreneur. Under those red curls is a brain chock-full of business plans. If you met titian-topped Rita Harding (above right) on the street, you'd probably stop dead-still in awe and appreciation. Rebekka Armstrong (right) was a blonde when her Playmate video went platinum. Her career has taken her into redhead country, where she danced in a video to Roy Orbison's classic *Oh, Pretty Woman*.

With a name such as Autumn West, she would have to have hair of flame touched with gold that sparkles in the sun and turns russet when it's wet. The geographics aren't right, however. Autumn lives in the South.

Globe-trotting Mim Parker (above) is a university student who is seriously into singing and dancing. You'll recall that Laurie Carr (right) was a blonde Miss December 1986. We'll close with Playmate Laura Richmond (overleaf), a storybook redhead with fine, porcelain-like skin.
